

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4 February 2022.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils can wear an item of clothing with a number on it (football shirt, netball shirt, stick numbers to clothing or any other creative ways). Or get even more creative by dressing in a maths or numbers theme. If you would like to donate to this cause, there will be a section on ParentPay where you can add a donation or if you wish to add some spare change into buckets on the school yard on the day, this option is available.

However, we do not expect a donation for your child to take part in this event. We want all pupils to enjoy the day and if they do not wish to come in own clothes then they can come to school in their usual school uniform or their PE kits (please remember to send in a jumper, cardigan and coat for breaktimes).

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Gwladys Street Community Primary and Nursery School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Mr Moore, Maths Lead
