Fri 18th Feb - Inset Day school closed

Message from the Headteacher

Dear Parents/Carers,

It has been another very busy week in school. I hope you are finding that there is less congestion on the playground when you are dropping off/collecting your children due to us ceasing to operate a one way system. Thank you for the responses to our parent/carer questionnaire. I am in the process of looking at the results with Mr Deakin and we are putting actions in place to address concerns you have raised and your feedback is very important to us. Have a lovely weekend with your children and enjoy the dry weather whilst it lasts. Take care.

Attendance Matters

Whole School Target: 97% - This week's Whole school attendance: 90.84%

Attendance:

Attendance is MANDATORY for all pupils unless they are unwell. If your child / any member of your household develops Covid symptoms you should contact the school office. **If your child is absent from school without authorisation parents will be fined by the Local Authority.**

Please email your child's covid results to the following email address: covid@gwladysstreet.com

Attendance and punctuality is very important at Gwladys Street. Improving school attendance is a key priority for the council and Gwladys Street. The support of our parents is crucial to achieving our goal. The Government expects pupils to have a **minimum level of attendance of at least 97%**, excluding Covid related absences and we are working hard to achieve this goal.

Absence—if your child is absent from school you MUST contact the school before 9:00am each day of your child's absence. Failure to make any contact with the school will result in a home visit from staff and Headteacher.

Appointments—should be arranged outside of the school day and if this is not possible, medical evidence should be provided.
