IDENTIFYING AND ASSESSING THE RISKS	RISK LEVEL	CONTROLS FOR MANAGING THE RISKS	REMAINING RISK
<p>Staff/ Parents or pupils testing positive for Omicron variant</p> <p>We are aware that Omicron spreads rapidly and that if we reach outbreak point (4 or more) we will contact Chris Price (Liverpool City Council), implement his control measures and monitor the control measures regularly.</p>	<p>Low</p>	<p>Close contacts in schools are now identified by NHS Test and Trace and education settings are not expected to undertake contact tracing.</p> <p>As with positive cases in any other setting, NHS Test and Trace will work with the positive case or their parent to identify close contacts. Contacts from a school setting will only be traced by NHS Test and Trace where the positive case or their parent specifically identifies the individual as being a close contact. This is likely to be a small number of individuals who would be most at risk of contracting COVID-19 due to the nature of the close contact. You may be contacted in exceptional cases to help with identifying close contacts, as currently happens in managing other infectious diseases.</p> <p>All individuals who have been identified as a close contact of a suspected or confirmed case of the</p>	

		Omicron variant of COVID-19, irrespective of vaccination status and age, will be contacted directly and required to self-isolate immediately and asked to book a PCR test . They will be informed by the local health protection team or NHS Test and Trace if they fall into this category and provided details about self-isolation.	
Outbreak of Omicron		<ul style="list-style-type: none"> We are aware that Omicron spreads rapidly and that if we reach outbreak point (4 or more) we will contact Chris Price (Liverpool City Council), implement his control measures and monitor the control measures regularly. If there is an outbreak in a year group, they will be isolated in a bubble of their own and measures applied. Measures will be reviewed after two weeks. 	Additional Measures applied
Staff/ pupils/ parents testing positive	Low	<ul style="list-style-type: none"> You should not come to school if you have symptoms If a staff member tests positive, they should complete an LFT on days 6 and 7 of their isolation. If they receive two consecutive negative tests, they can return on day 8, instead of returning after day 10 of isolation. If they receive positive LFT on day 6 or 7, they must test again and get two consecutive test results to return prior to the tenth day. If they are still testing positive after day 10, they may still return to school, without the two consecutive LFTs. 	Track and Trace will contact close contacts and advise that they take a PCR test.

		<ul style="list-style-type: none"> • Parents to email covid@gwladysstreet.com with results • School to complete appropriate paperwork and send to Local Authority. • School to follow advice from Track and Trace if contacted. • Anyone developing symptoms when in school will be sent home and asked to follow Public Health Advice and get a PCR test.
