Message from the Headteacher

It was lovely this week to be able to provide our school community with 1200 donated meals from The Caring Family Foundation . I would like to thank the charity for their support. I would also like thank all my staff for their continued commitment to go above and beyond on a daily basis for all of our pupils and families. Their commitment is invaluable to the school community.

On behalf of Myself, Staff and Governors we wish you a restful, and safe half term.

Attendance Matters

Whole School Target: 97% - This week's Whole school attendance: 89.53%

Attendance:

Attendance is MANDATORY for all pupils unless they are unwell. If your child / any member of your household develops Covid symptoms you should contact the school office. **If your child is absent from school without authorisation parents will be fined by the Local Authority.**

Please email your child's covid results to the following email address: covid@gwladysstreet.com

Attendance and punctuality is very important at Gwladys Street. Improving school attendance is a key priority for the council and Gwladys Street. The support of our parents is crucial to achieving our goal. The Government expects pupils to have a **minimum level of attendance of at least 97%**, excluding Covid related absences and we are working hard to achieve this goal.

Absence—if your child is absent from school you MUST contact the school before 9:00am each day of your child's absence. Failure to make any contact with the school will result in a home visit from staff and Headteacher.

Appointments—should be arranged outside of the school day and if this is not possible, medical evidence should be provided.
