Message from the Headteacher

Dear parents/Carers

We have had a lovely week in school. The children have worked incredibly hard and behaved brilliantly. It has been a pleasure to work in class with Mrs Haslehurst and class China this week. I help with guided reading sessions on a Monday. It is lovely to be in class with the children.

Mrs Baker and I are currently working on a project with the University of Chester focused on Attachment, Trauma and Mental Health. It is a great opportunity that will be a huge benefit to our pupils and families and I look forward to letting you know more about this as it progresses.

Have a lovely weekend and thank you for your ongoing support.

Gwladys Street CP & Nursery School

NEWSLETTER - 11th March 2022

The class attendance prize for March is ...
You've got to be in to win!

Attendance Matters

Whole School Target: 97% - This week's Whole school attendance: 93.22%

Attendance:

Attendance is MANDATORY for all pupils unless they are unwell. If your child / any member of your household develops Covid symptoms you should contact the school office. **If your child is absent from school without authorisation parents will be fined by the Local Authority.**

Please email your child's covid results to the following email address: covid@gwladysstreet.com

Attendance and punctuality is very important at Gwladys Street. Improving school attendance is a key priority for the council and Gwladys Street. The support of our parents is crucial to achieving our goal. The Government expects pupils to have a **minimum level of attendance of at least 97%**, excluding Covid related absences and we are working hard to achieve this goal.

Absence—if your child is absent from school you MUST contact the school before 9:00am each day of your child's absence. Failure to make any contact with the school will result in a home visit from staff and Headteacher.

Appointments—should be arranged outside of the school day and if this is not possible, medical evidence should be provided.
