Message from the Headteacher

Dear parents/carers,

It has been a great week and thank goodness we are seeing some sunshine and dry weather!. Our attendance continues to slowly improve so a big well done to everyone!

A number of parents/carers contacted us this week as the date for our planned Y6 residential coincides with the transition to high school day. We are currently in talks with the residential centre and exploring options to attend on a different date, as it is understandable that you don't want your children to miss this.

Other exciting news is that we may have some visitors coming to school. A little clue as to who they are is that they may be juggling and spinning plates! More information will follow shortly. Have a lovely weekend and thank you for
