Message from the Head Teacher

It has been a lovely week in school with the children. They have worked very hard to learn the songs for their Christmas performances and on Thursday we all sat down together and enjoyed our Christmas lunch. On Friday, we had to organise special parking arrangements for a sleigh as Father Christmas visited our school! He was very impressed with the children's behaviour and hard work. Attendance has been very disappointing this week as on two days, attendance levels have been well below the National target of 97% or above. Some classes have dipped below 90% on a number of occasions. Next week we need to see a big improvement. We have lots of exciting activities planned every day including our Christmas parties on Wednesday so make sure your child is in school and they don't miss out! Have a very Merry Christmas and New Year and we look forward to seeing you all in 2023. Love and best wishes from Ms Booth and the Gwlady's Street Team.

Look at the wonderful week Year 6 have had.

This week in science, we have conducted an experiment to see how shadows change due to the distance of light behind them. We have also been sculpting soap sculptures in the style of Ancient Greek masterpieces.
