### MESSAGE FROM THE HEAD TEACHER

Dear Parents and Carers,

It has been wonderful to see our pupils returning after the break, we have had a fantastic start to the new term with several classes achieving 100% attendance and the school achieving our target of 97% or above on two occasions. Thank you to everyone for bringing your child to school. It is really important that your child gets their daily education in school. Let us see if we can achieve our school target again next week.

Our Toddler and Parent group and Coffee afternoon continue to be a popular event. Please feel free to come and join us for either or both of these activities. These are good opportunities to meet new people, build new social groups or just talk.

I wish you all a lovely weekend and look forward to seeing everyone on Monday.

Ms Booth

**Congratulations**  
to Class **GERMANY** and **CHINA**  
who are our Attendance winners this  
week. The children will all receive a  
Golden time activity.

### Attendance advice for Parents

Being in school and having the best attendance possible underpins all the many benefits of school for your child, such as their learning, wellbeing and wider development. For some children, attending school every day will be harder than for others. This is why schools, and local councils in some cases, are committed to working together with families to solve problems and support your child's school attendance. The letter attached provides you with some valuable information.

Well done to our wonderful  
**STARS OF THE WEEK**  
Your hard work and efforts have not gone unnoticed.

# Look at the wonderful week Year 3 have had.

This week, Year 3 have been taking part in lots of fun, educational activities.

In Science, we have begun our unit 'Light'. We discussed what a light source is and what a light reflector is. Next, we thought about the absence of light being darkness and shadow and explored what it would be like if there was only darkness and we had to rely on our sense of touch. We had several objects within a 'feely bag' and using our sense of touch we had to identify them.

In Maths, we have begun our unit 'Money'. We have explored the different notes and coins we use in England, how to count amounts of money accurately and how to make different amounts of money using different notes and coins.

In English, we've begun to study a new book called *Krinklekrax*, written by the author Philip Ridley. We've read 8 chapters already, studied the unusual characters in detail and have written wonderful character descriptions using all of our technical writing features.

In addition, Morocco have begun to learn a new instrument, clarinets, whilst Kenya have continued along their musical journey of flutes. This week we also learnt a fabulous new African song called *Nanuma*.

## SCHOOL UNIFORM

# Children Heard and Seen.

## What We Do

Children Heard and Seen support children, young people and their families who are impacted by parental imprisonment. We strive to support their needs, listen to their concerns and ensure that their voices are heard. **We offer family support work, 1-1 support, a volunteer mentor for 12 months, Drawing and Talking therapy sessions in school, music projects and holiday activities.**

## Our Support Offer

Support around communicating with children, including ways to tell your child that their parent is in prison.

1-1 mentoring to ensure that a child is able to try new things, access resources, and develop resilience, coping strategies and life skills to help them make sense of their situation. This provides them with the tools to make positive life choices and maximise their potential.

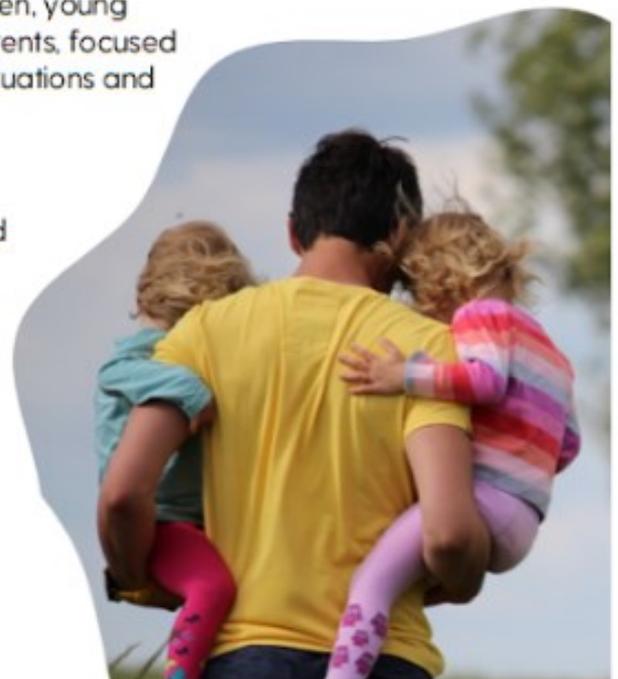

Group support work for children, young people, parents and grandparents, focused on meeting others in similar situations and reducing isolation.

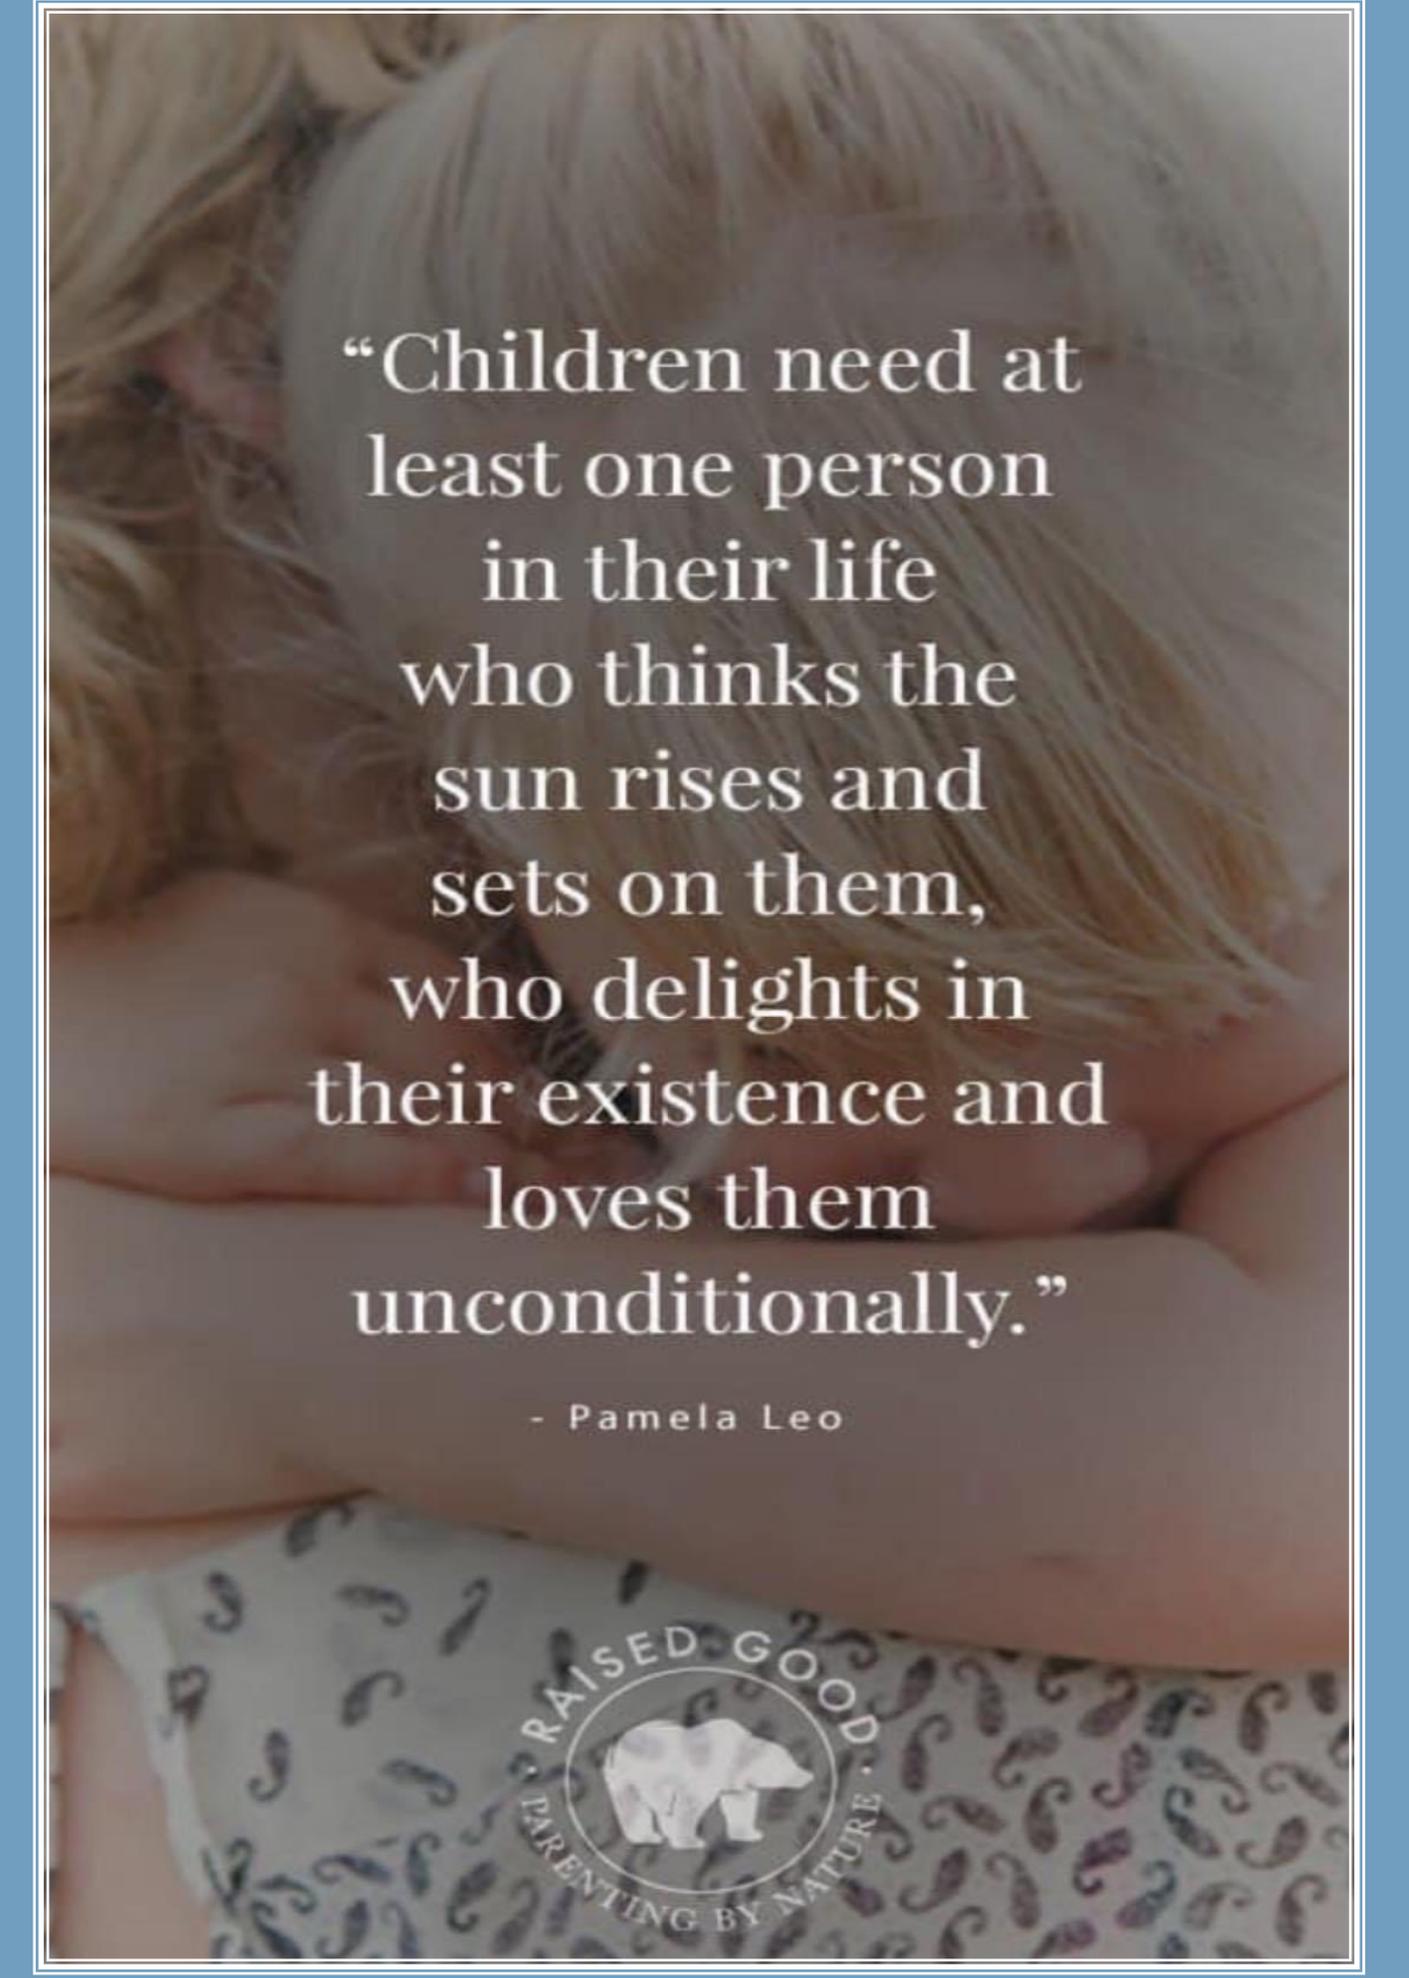

1-1 support for children and parents to explore, understand and manage their feelings about their family member in prison.

If you know a family that would like support, please email us at [info@childrenheardandseen.co.uk](mailto:info@childrenheardandseen.co.uk) call us on **07557339258** or send us a direct message to our Facebook page. [childrenheardandseen.co.uk](http://childrenheardandseen.co.uk)
