MESSAGE FROM THE HEAD TEACHER

Dear Parent/carers

A big thank you to al of the parents/carers who came to our open evenings this week. It was wonderful to see so many of you and many more parents attended than previously. We have had great fun this week preparing a video as part of the pre-Eurovision celebrations. Miss Hennesey and Mrs Grimes have filmed a video with the children, which will be used to publicise the event. Further information to follow!

Sadly, our attendance levels were only 82% today but a big thank you to everyone who did send their children in. As a school, we feel the children have already missed too much learning, due to the global pandemic. All of our staff attended, school was fully open and those children who did attend had great fun building snowmen with their friends and drinking hot chocolate. Have a lovely weekend and we look forward to seeing you all on Monday morning bright and early.

Best wishes, Ms Booth.

The Easter HAF programme starts on the 3rd April and there are lots of great activities happening over the school holidays. Children and young people will be able to access hundreds of activities throughout the Easter break including specific provision available for children with SEND or additional needs, at no cost to you.

Attendance advice for Parents

Being in school and having the best attendance possible underpins all the many benefits of school for your child, such as their learning, wellbeing and wider development. For some children, attending school every day will be harder than for others. This is why schools, and local councils in some cases, are committed to working together with families to solve problems and support your child's school attendance.

The letter attached provides you with some valuable information.

Children Heard and Seen.

What We Do

Children Heard and Seen support children, young people and their families who are impacted by parental imprisonment. We strive to support their needs, listen to their concerns and ensure that their voices are heard. We offer family support work, 1-1 support, a volunteer mentor for 12 months, Drawing and Talking therapy sessions in school, music projects and holiday activities.

Our Support Offer

Support around communicating with children, including ways to tell your child that their parent is in prison.

1-1 mentoring to ensure that a child is able to try new things, access resources, and develop resilience, coping strategies and life skills to help them make sense of their situation. This provides them with the tools to make positive life choices and maximise their potential.

Group support work for children, young people, parents and grandparents, focused on meeting others in similar situations and reducing isolation.

1-1 support for children and parents to explore, understand and manage their feelings about their family member in prison.

If you know a family that would like support, please email us at info@childrenheardandseen.co.uk call us on 07557339258 or send us a direct message to our Facebook page. childrenheardandseen.co.uk
