## MESSAGE FROM THE HEAD TEACHER

Dear parents/carers,

What a hot week it has been for everyone! It hasn't stopped us enjoying our Olympic themed sports days. It was wonderful that so many of you attended.

We are trying really hard to increase the number of events that we invite you on site for so that you can learn more about our curriculum and see your children enjoying school.

A big thank you to Mrs Beckwith for organising the sports days.

Our early years children have also enjoyed their visits to Stanley Park this week, learning about their local environment. Thanks to all of the parents, carers and family members who volunteered on the days to make the visits possible.

School has also hosted visits from 'My Bank' this week so a big thank you to this organisation.

As I'm sure you can imagine, we are incredibly busy at this time of the year organising end of term celebrations for classes and preparing the children's annual written reports so please be patient if you are requesting a meeting with a teacher or senior member of staff.

You are all important to us but there are 478 children in the school and we can't always see everyone immediately. We have a 48 hour policy with regard to responding to requests for meetings.

Have a lovely weekend and we look forward to seeing you all on Monday.

Best wishes, Ms Booth and team.

**Dinner money, Breakfast club and Extra Nursery Session payments should be made at the weekend in advance for the following week. Payment can be made online through Parent Pay.**

# SPORTS DAY

Nursery have had lots of fun visiting Stanley Park this week. The children were very well behaved and used their listening ears throughout. We had a picnic in the sunshine and enjoyed playing in the long wavy grass, where we found lots of different bugs. We are so proud of the children.

FREE training for parents & carers

## Understanding Adverse Childhood Experiences (ACEs)

Adverse Childhood Experiences (ACEs) are stressful or traumatic experiences that can significantly impact us throughout our lives, both as children and young people *and* as adults.

NEGLECT			
	PHYSICAL	EMOTIONAL	
ABUSE			
	PHYSICAL	EMOTIONAL	SEXUAL
WHEN A CARE GIVER EXPERIENCES

### There are things we can all do to address adversity you or others may be facing

- Get to know yourself.** Understand and appreciate who you are as a person.
- Show empathy and have compassion.** Be kind to yourself and others.
- Create safety and choice,** for yourself and those around you.
- Look at the big picture –** think about things from different angles. Explore what could make a difference in the situation, however small.
- Actively find and build on positives –** seek out and do things that make you and your family stronger.

# things to say to your anxious child

1. I'm here with you. You're safe.

2. Do you want to do some dancing or running to get rid of the worried energy?

3. Tell me about it.

4. What would you like to say to your worry? What might your worry say back? Then what?

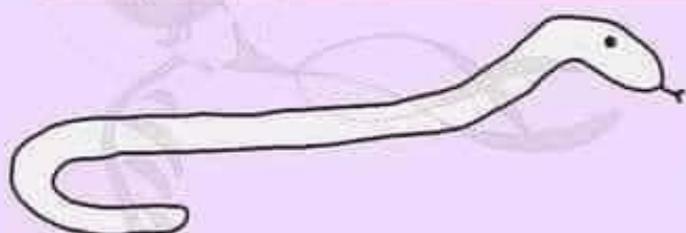

5. Let's draw it.

6. What does it feel like in your body? Where is the worry? How big is it?

7. Match your breaths to mine.

8. Let's think up some endings for what could happen (anxious ones, goofy ones, AND realistic ones).

9. What's something we could do to help you feel better?
