1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the <https://www.gov.uk/government/publications/pupil-premium-allocations-and-conditions-of-grant-2023-to-2024>, published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

Gwladys Street Community Primary and Nursery School, will analyse whole school data for attainment and also attendance to identify trends and gaps for particular groups of pupils. The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils. The funding will be used to narrow and close the gap between the achievement of these pupils and their peers. As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupils Premium and others. We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives. We will use the Education Endowment Foundation (EEF) to identify cost effective strategies with a proven track record for pupil progress and where appropriate, implement

At Gwladys Street Community Primary and Nursery School, we use pupil premium funding and align this with the 3-tiered approach described in the EEF's pupil premium guide. We ensure that funding is used to;

- › Support the quality of teaching, such as staff professional development;
- › Provide targeted academic support, such as tutoring; and
- › Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'.

From the start of the 2024/25 academic year, Gwladys Street CP and Nursery School will ensure the pupil premium aligns with the DfE's 'menu of approaches', based on the 3 tiers outlined above. See pages 7 and 8 of the DfE's [guidance for schools' leaders on using the pupil premium](#) for details.

When writing our Pupil Premium Strategy we will take into account;

- › The context of the school and the main challenges or barriers disadvantaged and vulnerable pupils face.
- › Using evidence, such as learning from what works in your school, to inform your decisions on pupil premium spending
- › Addressing a wide range of needs, and take group and individual needs into account
- › Engage with parents to take their views on their child's needs into account
- › Make sure the school uses its pupil premium as effectively as possible (for example, taking into consideration which interventions will be the most beneficial for your pupils, based on evidence)
- › Integrate pupil premium interventions into the curriculum
- › Make sure all staff promote the principles and ethos of the pupil premium strategy

Some examples of how the school may use the grant include, but are not limited to:

- › Providing extra 1-to-1 or small-group support
- › Employing extra teaching assistants and support staff including Calm Central staff
- › Running catch-up sessions before school for pupils accessing Breakfast Club (for example, for children who need extra help with maths or literacy)
- › Providing extra tuition where needed (for example, ahead of national assessments such as SATs)
- › Funding educational trips and visits
- › Funding English classes for children who speak another language with support from our EAL Learning Support Assistant

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here: <https://gwladysstreet.org/pupil-premium/>

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6

Eligible pupils fall into the categories explained below.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day.
