MESSAGE FROM THE HEAD TEACHER

Dear parents/carers,

I can't believe we have reached the end of another week and we are rapidly approaching the February half term!

Mighty Red led an assembly on Monday for KS2 pupils to launch a reading initiative. The children really enjoyed the assembly and are looking forward to working with the LFC Foundation to improve their reading skills.

Pupils in Y1 visited St Luke's Church as part of their RE topic and next week, pupils in Y2 will visit St Mary's. A day for your diary next week: On Wednesday 11th February, the MHST (Mental Health Support Team) will be leading one of our parent forum sessions to explore how parents/carers can support their child's mental health and well-being at home. The doors open for the session at 9.00am and light refreshments will be served in the KS2 hall.

The children and staff thoroughly enjoyed NSPCC Number Day on Friday 6th February 2025 and it was lovely to see them all in their 'number based' outfits and engaging in maths related activities.

Don't forget that we are closed on Friday 13th February 2026 for INSET training. The focus of our training day is Special Educational Needs and Inclusion. We have a range of speakers organised representing agencies such as Seedlings and MHST (Mental Health Support Team). In addition, we will be working on our application for the Inclusion Quality Mark due to the good practice as look forward to seeing all of our wonderful pupils back in school on Monday 23rd February 2026.

Have a lovely weekend! Best wishes, Ms Booth and Team.

At Gwladys Street we are a **TEAM**

- Trust, listen and respect
- Enjoy everyday
- Achieve and believe in ourselves
- Make everyone feel safe and welcome

WHAT'S FOR LUNCH?

Attendance Matters

Whole School Target: 97%

This week's Whole school attendance: 91.00%

Absence—if your child is absent from school you **MUST** contact the school before 9:00am each day of your child's absence. Failure to make any contact with the school will result in a home visit from staff and Head teacher.

Appointments—should be arranged outside of the school day and if this is not possible, medical evidence should be provided.

<u>Class</u>	<u>Attendance %</u>	<u>Position</u>
China	94.67%	1st
France	93.75%	2nd
Japan	93.67%	3rd
Chile	93.33%	4th
Australia	93.33%	4th
Morocco	92.87%	6th
Costa Rica	92.33%	7th
Butterflies	91.72%	8th
Kenya	91.63%	9th
Germany	90.69%	10th
New Zealand	90.00%	11th
India	89.66%	12th
Russia	88.93%	13th
Caterpillars 2	87.95%	14th
Ladybirds	83.41%	15th
Caterpillars 1	81.36%	16th

Perfect Attendance!

This Weeks Wonderful Work

WOW!

WOW!

NURSERY

This week the children have enjoyed learning about firefighters in story world. We met a firefighter who told us there was a fire and we had to work together to put the fire out. The children showed great teamwork and sharing skills during this activity.

RECEPTION

As part of our "People Who Help Us" topic this term, the children enjoyed a very exciting visit from our local police officers. The officers talked to the children about their important job and the different ways they help keep people safe in our community. The children were fascinated to see the officers' uniforms and equipment up close. It was a wonderful experience that helped the children better understand the role of the police and the ways they help us.

YEAR 1

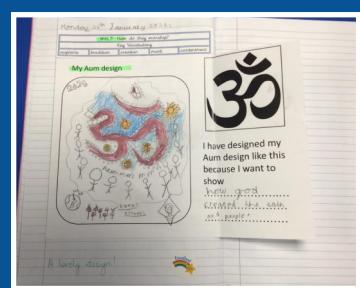

Year 1 had a brilliant trip to St Luke's. The Reverend read a bible story and gave us a tour of the church. We had so much fun and were so well behaved! Well done everyone.

YEAR 2

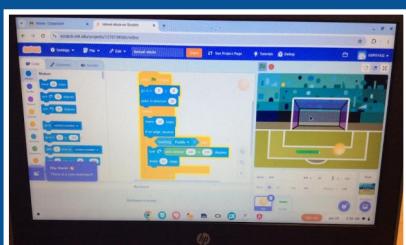

This week in year 2 in Science we learnt about the importance of hygiene for humans and how to keep ourselves clean!

YEAR 3

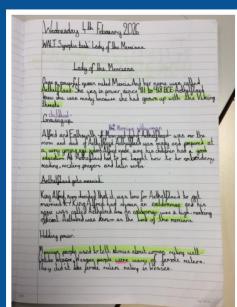

This week in RE we have looked at how Hindus pray. We learnt about the Aum symbol and its meaning and then we designed our own Aum symbols.

YEAR 4

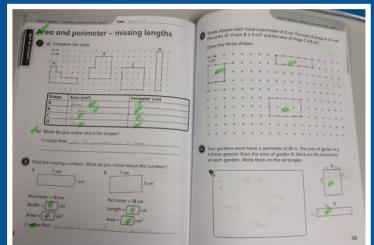

Year 4 have been enjoying their computing lessons with MGL, designing and coding projects on Scratch. They have revised the basics and explored using different events to control their sprites.

YEAR 5

Year 5 finished their History topic of The Lady of the Mercians by writing their own biographies about Aethelflaed.

YEAR 6

This week in maths, we have been learning to use formula to find area and perimeter.

UPCOMING EVENTS

Year One visited St Luke's church this week, we received this lovely email from Reverend Bill following their visit.

It was an absolute pleasure to welcome you all to St Luke's and I'd be grateful if you could thank the wonderful Y1 children for their enthusiasm and their respect for our church. It really is lovely to renew contact and make our small contribution to their learning. I look forward to seeing you next week at St Mary's.

Year 2 will be visiting St Mary's church next

Children's Mental Health Week - Week beginning 9th February

Planned activities throughout the week for the children and a Parent Forum hosted by the MHST on Wednesday 11th February (9:00am - 10:00am in the KS2 Hall)

Thursday 12th February

Pupils and Staff to wear colours that reflect their personality, identity and true selves .

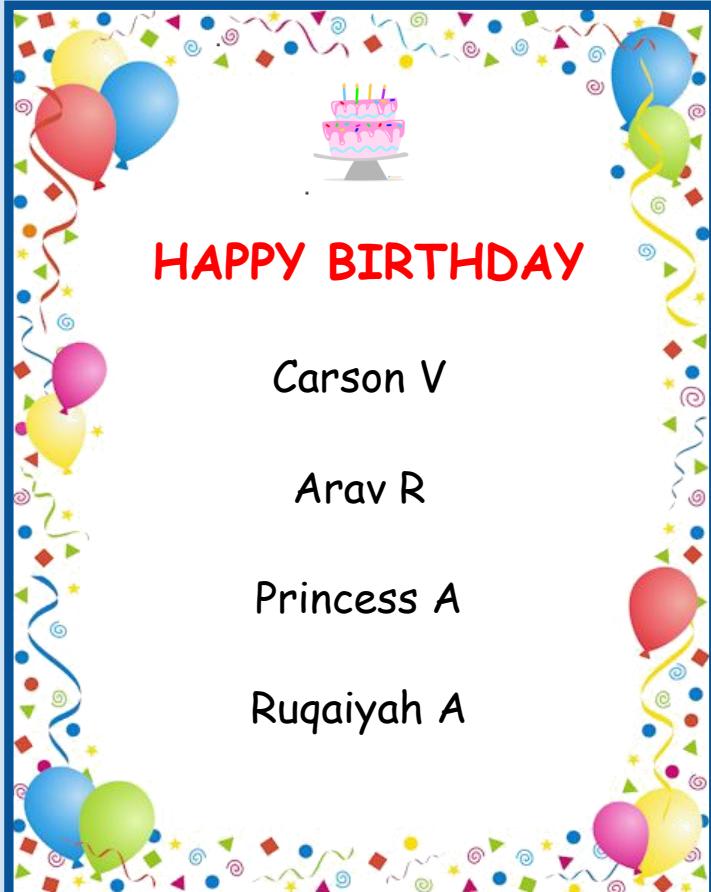

School Closes for February Half Term

Thursday 12th @ 3.30pm

All children return to school

Monday 23rd February

SEND

Family Support

BARNARDOS SENDIAS

Liverpool & Knowsley SEND IASS

Liverpool & Knowsley SEND IASS is a statutory Information, Advice and Support Service for children and young people with SEND and their parents/carers. Liverpool & Knowsley SEND IASS is a free and impartial service delivered by Barnardo's.

We offer:

- A dedicated SENDIAS next stepa helpline, run by Level 3 IPSEA trained officers - this means families can come back to the helpline for information and advice as and when they feel they need it.
- Legally based information and advice given by trained and experienced staff around SEND law, statutory guidance and processes, local policy and processes
- Online information to educate and empower families - you can find this on the website Welcome to Barnardo's SENDIAS (Barnardo's SENDIAS)
- Monthly drop-in/SEND Surgeries for families needing help with form filling or letter writing - details are updated monthly on our website - call the helpline or email to book.
- 1:1 support at meetings and during appeals processes for those families that meet the criteria for casework
- Support for children and young people with SEND; this can include support to help you have your voice heard
- Signposting to local and national services
- Information Sessions for families and professionals

Liverpool & Knowsley SEND IASS has two dedicated casework officers that cover both the Liverpool & Knowsley areas. As there is a high demand for the service, a casework criteria policy is in place.

The service will offer 1:1 support in the first instance to those families that have an additional need such as health condition, disability or communication need that prevents them from completing paperwork, speaking up at meetings and/or understanding processes and next steps. We allocate these appointments in date order.

1:1 form filling support may be offered through a single appointment at our monthly SEND surgery or through on-going casework. This is needled and dependent upon service capacity at that time.

Self-advocacy

Liverpool & Knowsley SEND IASS provides informal advocacy for those families that are in receipt of casework and have a need that prevents them from self-advocating. Advocacy is built into the service casework offer, what is required will be agreed with the caseworker on a case-by-case basis.

SENDIAS services are designed to promote self-advocacy and so we will always try to equip the family with the knowledge and confidence to speak for themselves wherever possible.

SENDIAS services follow the National Minimum Standards and the definition of advocacy within this - Advocacy means getting support from another person to help you express your views and wishes and help you understand and exercise your rights. This might mean meeting support in some instances; however, it may also look like support to send an email or complaint letter expressing your views.

Due to capacity the service does not attend meetings with families that are not in receipt of casework support.

Tribunal Information Advice and Support

Families can receive information and advice via the service helpline on issues relating to tribunal processes and legally based information. All staff are PSEA 3 trained which means that helpline officers and caseworkers have the same level of training.

Next steps advice for tribunals can be given via the helpline this includes signposting to resources, and advice on form filling and putting evidence together for a hearing. A family can come back to the helpline as often as required for advice on what to do next.

For those families with additional needs requiring more support we can help with form filling at our drop-in/ SEND surgery sessions.

Casework officers can attend tribunal hearings for those families in receipt of casework support. However, most families will be able to self-advocate as the information is submitted to tribunal ahead of time, including parent information. We will help the family to prepare for the hearing including offering guidance on completing notes which can be read verbatim on the day.

FREE WASHING/DRYING SCHEME

Struggling to afford the cost of doing the washing?
Clothes drying around the house causing mould?
Wanting a warm space to connect with your local community?

Kitty's Launderette is a community launderette situated on Grasmere Street, L5. We work to support our community through our Free Washing/Drying scheme while also providing a warm social space with free cups of teas and coffees and free Wi-Fi

The scheme allows you to use our machines for one wash and one dry per week. This allows us to keep the scheme open to as many people as possible with the resources available.

To find out more please give us a call or pop into the launderette and chat to one of our team!

Opening Times:
Mon - Thurs 9am - 8pm
Friday 9am - 6pm
Sat - Sun 10am - 6pm
CLOSED WEDNESDAYS

ONLINE SAFETY NEWSLETTER

SMART TECH, SAFE CHOICES – EXPLORING THE SAFE AND RESPONSIBLE USE OF AI

ISSUE 19 - SPECIAL

SAFER INTERNET DAY SPECIAL

Welcome to this Special Edition of our Online Safety Newsletter, just in time for Safer Internet Day! Safer Internet Day is an annual day, where children all over the country explore how to be safe online. However, it is not just limited to children!

This year, Safer Internet Day is on **Tuesday the 10th of February**.

This year's theme is **Smart tech, safe choices - Exploring the safe and responsible use of AI**.

SAFE AND RESPONSIBLE USE OF AI

AI is a part of our everyday lives, often without us realising it. While tools like ChatGPT are a great example of AI, it is also used in things like video recommendations, predictive text, photo filters, and navigation apps.

AI can be a helpful tool that saves time and supports learning, but it's important to use it responsibly. The question is, is it **right**? All information is not always accurate and can sometimes give incorrect or unreliable information.

Always take a moment to check and review anything created by an AI tool before using or sharing it, especially when children are involved.

WHY IT MATTERS

It is important that we, and especially children, are familiar with the benefits of AI and, most importantly, how to use it responsibly.

AI has made significant advancements over the past decade, and it will continue to develop rapidly in the years ahead.

Being able to recognise AI-generated content, such as false information or fake images, and **where** it is an important skill as we browse, use and share content online.

FIND OUT MORE!

There are some great resources below to help you find out more about Safer Internet Day and using AI responsibly.
